SUPPLEMENTAL RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Non-Fee Amendment
 Commissioner for Patents
 P. O. Box 1450
 Alexandria, VA 22313-1450

Dear Sir:

In supplement to the Response to Restriction Requirement filed by facsimile filed 12-16-2003, at 11:53 AM EST, Applicant wishes to point out to the Commissioner and Examiner an error in the claim count on the Amendment Transmittal Form. In the Amendment filed back on or about August 25, 2003 (when claims 41-86 were originally added to the present application), Applicant miscounted the total number of claims in the claim fee calculation section of the Amendment Transmittal (Applicant inadvertently counted 36 total claims instead of the right total of 46 claims). The Assignee's deposit account, however, was charged the appropriate claims fee for the correct total number of 46 (\$144.00 and \$84.00 were charged on 8-27-2003 for 36 total claims, and an additional \$180.00 was charged on 9-10-2003 for the additional 10 claims left out of the Amendment Transmittal). For the convenience of the Office and the Examiner, a corrected Amendment Transmittal is being submitted herewith.
